Developing An Effective Safe Driving Program

March 30, 2010

8:30 AM - 9:00 AM	Registration
9:00 AM - 12:00 PM	Program

The Trust is offering this seminar to assist your organization in developing a safe driving program for your employees. If your organization has employees driving company vehicles or their own vehicles for company business, a comprehensive safe driving program may lower your vehicle and insurance costs, fleet maintenance costs, and may reduce the risk of life-altering injuries within your workforce. This seminar is designed for managers who are responsible for hiring employees who are required to drive *or* employees who are responsible for the organization's driving program development, maintenance and training.

This seminar:

- Provides the elements of a written safe driving program including policies and procedures
- Examines benefits of background check information and how to obtain it
- Reviews State of Connecticut driving laws and recent changes
- Describes vehicle accident investigation procedures
- Explains vehicle inspection guidelines
- Simplifies information on employee monitoring laws regarding devices for monitoring driving behavior
- Provides guidance against potential company and personal liabilities associated with crashes involving employees driving on company business
- Reviews drug testing laws
- Reviews wage requirements while the employee is on travel time
