

Statewide Directory of Network Providers

Updated August 13, 2018

ABOUT THIS DIRECTORY

Under provisions of Section 31-279(2) of the Connecticut Workers' Compensation Act, all employees injured on the job must obtain medical treatment within the medical provider network or risk being ineligible for Connecticut Workers' Compensation benefits, subject to the Workers' Compensation Commissioner.

This directory identifies all medical providers participating in the Workers' Compensation Trust network. These providers include the following specialties:

- *First Treatment Centers*
- *Physical Therapists*
- *Chiropractors*
- *Neurologists*
- *Neurosurgeons*
- *Orthopedists*
- *Physical Medicine and Rehab*
- *Surgeons, Hand*
- *Pain Management*

If the physician you need to see is in a specialty that is not covered by the Plan, you have the right to choose and treat with any Connecticut physician in that particular specialty.

THIS DIRECTORY MAY BE ACCESSED ON THE TRUST'S WEBSITE: www.wctrust.com
Once on the website, enter the Members or Providers sections and choose Provider Network from the menu.

This directory represents those participating providers under contract with the Trust at the time of printing. Provider participation is subject to change without notice.
