## Workers' Compensation Trust

The Workers' Compensation Trust is a comprehensive workers' compensation insurance program designed to meet the unique needs of the Connecticut healthcare and human service industries. The Trust was formed in 1981 for the sole purpose of providing a cost-effective alternative to the traditional insurance market for healthcare and human service employers in the State. Membership consists of over 450 employers representing over 60,000 employees in the healthcare industry. All services are provided from our Wallingford location.

The Trust forms an Alliance with OSHA to keep workers safe.
